In response to the Notice of Non-Compliant Amendment (37 C.F.R. 1.121) dated March 19, 2004, the applicant submits the corrected section of a non-compliant amendment document. In particular, the applicant submits the entire "Amendments to the Claims" section of the applicant's amendment dated February 18, 2004. The enclosed "Amendments to the Claims" section clarifies that claims 1 through 7 are cancelled, without prejudice or disclaimer to the subject matter contained therein, and therefore the text of the cancelled claims need not be included in the amendment. In the applicant's respectful submission, the attached revised "Amendments to the Claims" section complies with the requirements of 37 C.F.R. § 1.121.

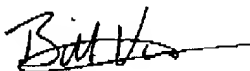

The Notice of Non-Compliant Amendment imposed a deadline of **April 19, 2004** for submission of a corrected section of the applicant's amendment. Accordingly, the applicant believes that no fees are required in connection with this submission. If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 13-2400 for any
